SOGP Kohat chapter arranged symposium on cervical cancer awareness on 16th February 2023. January is marked internationally as a month for cervical cancer awareness to fight, support and create hope for the disease. SOGP Kohat Chapter arranged awareness walk by all doctors, nurses, paramedical staff and representatives of administration on 27th January at 10:00 am in LMH Kohat.

Later on as a continuum the symposium was arranged on 16th February 2023 in KIMS Auditorium. The Symposium started with the arrival of chief guest, Pro Vice Chancellor, Dean Academics Professor Dr Lal Mohammad to KIM's Kohat and began with the Recitation of Holly Quran.

The proceedings of conference started formally with the welcome address by Associate Professor Obs/Gynae department Dr Noor Nasir on behalf of the Obs/Gynae department LMH/KIMS Kohat. She highlighted the importance of creating awareness on cervical cancer screening and its role in prevention of the disease.

The Presentation started with the current **overview of cervical cancer** by Principal KIMS, HOD Obs/Gynae department Professor Dr Mussarat Jabeen.

High Risk factors and cervical cancer screening schedule was elaborated by Assist Professor Dr Razia. Next presentation was taken over by Professor Dr Fouzia Gul on burning topic which is **Different modalities of cervical cancer screening**. In which she emphasized the importance of VIA and VILLI and its use in every day screening opd.

Following that Assist Professor Dr Beenish accentuated the **Diagnostic and therapeutic role of Colposcopy in cervical cancer**.

Finally Assist Prof Dr Heema Mojeeb draw the attention of participants of symposium on **Primary and secondary prevention of cervical cancer**.

Succeeding to this Chief guest Professor Dr Lal Mohammad and head of Pathology department Prof Dr Aziz Marjan appreciated the efforts of obs/gynae department and their role in creating awareness against this disease. Shields were distributed among chief guests and guests of honor Miss Reena, Prof Dr Aziz Marjan, MS LMH Kohat Dr Hashim.

After souvenir certificates were distributed among participants

The Symposium ended with vote of thanks by Dr Jalwa Nargis.

All the participants headed for refreshment
